

CHRISTIAN GUILLEMINAULT YOUNG INVESTIGATOR ENDOWMENT FUND

Dr. Christian Guilleminault "CG"

(1938-2019) devoted his career to the development and advancement of Sleep Medicine & Research.

Famous for his involvement in the first classification and identification of sleep disorders, his ground-breaking research in the areas of sleep apnea, pediatric sleep disorders and narcolepsy made him a leader in the field.

To learn more about CG and to read what his colleagues in the sleep community have to say about him, visit worldsleepsociety.org/cg.

THE CG FUND

In his memory, World Sleep Foundation, a nonprofit 501c(3) organization, has created an endowment in honor of this sleep pioneer.

PURPOSE

To encourage young investigators in the field of sleep, especially in developing portions of the world, to advance Sleep Medicine & Research worldwide.

GOAL

World Sleep Foundation's goal is to raise \$100,000, allowing for \$1,000 grants to be awarded per recipient each year.

ATTENDING AN UPCOMING SLEEP MEETING?

To download an application for the sleep meeting in which you are presenting an abstract at, or to donate, visit worldsleep.info/yi.
